

## WELCOME BACK!

Let's get started! This is a Rail Fence Block, made from our beautiful red fabrics.

## REQUIRED MATERIALS

Items required to complete this block:

- (1) Fat 8th (9" × 21") **each** of 3 **red** fabrics
- (1) Fat 8th (9" × 21") 1 **white** fabric

You'll also need

- 6" × 24" ruler\*
- Rotary cutter (45mm)\*
- Glass Head Patchwork Pins\*
- Magnetic Pin Cushion\*
- Cutting Mat\*
- Scissors\*
- Seam Ripper\*
- Thread\*
- Iron\*
- Ironing Board\*
- Sewing Machine\*

\*In future downloads, these items will be referred to as **Standard Sewing Supplies**

*Subscribe to our  
YouTube channel so you  
don't miss a single video!*

## PREPARE FABRIC

Press with sizing on wrong side of fabric

Cut a narrow strip to straighten the edge, or "square up"

Cut (2) 2" × 21" strips of **each** fabric (reds *and* white)

Kits for this quilt are available at  
[ShabbyFabrics.com!](http://ShabbyFabrics.com)  
Kits include exclusive **bonus project!**

## LET'S SEW A STRIP SET!

Lay out fabrics using diagram (*right*) as a guide.

Sew the white solid to the red/red dot, Right Sides Together (RST)

Remember to use a ¼" seam allowance.

Place on ironing board vertically with white fabric facing up.

Set seam.

Open the strip set and press, working your way from the bottom to the top. (Avoid the "rainbow.")

Next, sew the red/white dot to the red solid, RST.

Now join the two sets to make a completed strip set.

Repeat for a second strip set.

**Strip Set Diagram**

## RAIL FENCE UNITS \_\_\_\_\_

Lay strip set on mat, making sure it's straight on a line.

Trim end to square up.

Cut strip sets to make (4) 6½" rail fence units (*right*).

Check to be sure each cut is square, squaring up strip set as often as needed.

Each rail fence unit should measure 6½" × 6½".

**Rail Fence Diagram**

## COMPLETE BLOCK \_\_\_\_\_

Lay out rail fence units using Block Diagram (*right*) as a guide.

Pin, then join top two units with a ¼" seam.

- Remove pins before sewing over.
- Sewing over pins can damage your machine!

Set seam and press towards white strip.

Repeat for second pair.

Sew pairs together to make a block.

- Slide intersections together so seams interlock (or nest).
- Pin center first so seams don't shift.

Set seam.

Open block and place face down.

Spin seams clockwise, pressing each seam towards the white fabric. "Pop" center and press with tip of iron.

Turn block over and do a final press.

Finished block should measure 12½" × 12½".

# LEARN TO QUILT *Beginner Quilt*

Kits for this project are available at [ShabbyFabrics.com](http://ShabbyFabrics.com) and include an exclusive Bonus Project.

If you've bought our kit, you need to keep your scraps and *Shabby Shapes* for the bonus project at the end.

Your shapes this week are **two red hearts**.

In Part 3, we will make the Orange Block.

See you then!
