LET'S SEW THE BLOCK!

To begin, sew 3 1/2" light blue dot rectangle to white square.

Press seams away from center square.

Continue around the square, making sure each log fits perfectly. If not, stop and see why!

- Are your cuts accurate?
- Do you need to adjust your seam allowance?

Refer to diagram frequently for placement.

After the first round, block should measure 6 1/2" x 6 1/2".

Unsure of where to start? Add to the side with the double seam.

After the second round, block should measure 9 1/2" x 9 1/2".

Finished block should measure 12 1/2" x 12 1/2".

Kits for this project are available at ShabbyFabrics.com and include an exclusive Bonus Project.

If you've bought our kit, you need to **keep your scraps** and *Shabby Shapes* for the bonus project at the end.

Your shape this week is a **butterfly** and **body**.

In Part 8, we will put the quilt together!

See you then!
