• ¾ yard teal solid for outer border
• ⅜ yard black for binding
• Standard Sewing Supplies

Fold fabric in half and square up.

Cut Fabric
From teal dot, cut:

From teal solid, cut:

Let’s Sew the Blocks Together!
Lay out blocks and piece together into 3 rows.
Press seams toward the orange, yellow, and blue blocks.
Sew your rows together, nesting seams.
Sizing will help your seams stay pressed in the proper direction.
Quilt center should measure 24½” × 36½”.

LET'S ADD THE BORDERS!

Pin an **inner border** strip to the left and right sides of your quilt, right sides together (RST).

- Pin frequently, especially wherever you have a seam, so the seams won't flip.
- Accordion fold your quilt onto your work surface.

Sew left and right inner borders to the quilt.

Set seam, then press.

- Press vertically on your ironing board.
- Finger press your seam so you don’t get folds.

Trim border to be even with the quilt.

Repeat for the top and bottom inner border.

Repeat for **outer border**, starting with left and right outer borders.
Congratulations! You’re a quilter!
