## CUT BLOCK FABRICS

From **mottled beige** fabric, cut

- (3) 14" × 14" squares – From each square, cut twice from corner to corner (diagonally) to create a total of (12) triangles. You will use (10) triangles for **setting triangles**.
- (2) 7¼" × 7¼" squares – From each square, cut once from corner to corner (diagonally) to create a total of (4) triangles. You will use all (4) triangles for **corner triangles**.
- (1) 14" × WOF – Turn and cut (6) 2¾" rectangles. These pieces will measure 2¾" × 14". Label these "**Template A**" and set aside.
- (1) 15½" × WOF – Turn and cut (6) 3½" rectangles. These pieces will measure 3½" × 15½". Label these "**Template C**" and set aside.

From **light cream** fabric, cut:

- (1) 14" × WOF – Turn and cut (12) 2¾" rectangles. These pieces will measure 2¾" × 14". Label these "**Template A**" and set aside.
- (1) 15½" × WOF – Turn and cut (12) 3½" rectangles. These pieces will measure 3½" × 15½". Label these "**Template C**" and set aside.

From **each color** (2 reds, 2 blues) fabric, cut:

- (1) 3½" × WOF – Turn and cut (5) 6½" rectangles. These pieces will measure 3½" × 6½". Label these "**Template B**" and set aside.
- (1) 7" × WOF – Turn and cut (9) 3½" rectangles. These pieces will measure 7" × 3½". Label these "**Template D**" and set aside.

### ★ ★ ★ **IMPORTANT!** ★ ★ ★

## CUT BORDER FABRIC

From **first inner border** fabric, cut (5) 1½" × WOF

From **second inner border** fabric, cut (4) 57" × 3½"

(NOTE: for continuous borders, this is cut *down the length of fabric*)

From **outer border** fabric, cut (4) 63" × 4½"

(NOTE: for continuous borders, this is cut *down the length of fabric*)

From **cornerstone** fabric, cut (4) 4½" × 4½"

From **binding** fabric, cut (7) 2½" × WOF – When pieced, binding should measure at least 256" long

## ADD BORDERS

For this step, press all seams as desired.

Piece **first inner borders** strips into one continuous piece. Sew the left and right first inner borders **FIRST**, then trim to be even with the quilt. Repeat for the top and bottom first inner borders.

Sew the left and right **second inner borders** **FIRST**, then trim to be even with the quilt. Repeat for the top and bottom second inner borders.

## ADD CORNERSTONES

Measure the width of the quilt at this point. Add ½". This is the length to which you will trim your **top and bottom outer borders**. Refer to diagram (*left*), and sew one **cornerstone** to each end of top outer border and bottom outer border.

Sew left and right **outer borders** **FIRST**. Trim to be even with the quilt. Add top and bottom outer borders/corners. Press seams toward second border.

## FINISH THE QUILT

Layer quilt top, batting, and backing. Quilt as desired.

Fold binding in half lengthwise with wrong sides together and press. Sew the binding to the front side of the quilt starting at any side. Turn the binding over and hand stitch to the back of the quilt.
