From triangle fabric, cut:
• (70) 4 1/2” × 4 1/2” squares for triangles

Cut in half once on the diagonal

From outer border fabric, cut:
• (4) 5” × 63” (LOF) for outer border

From inner border fabric, cut:
• (6) 1 1/2” × WOF strips for inner border
• (7) 2 1/2” × WOF for binding

**PLEASE NOTE:** This quilt requires the Spinning Possibilities Ruler from ShabbyFabrics.com

Finished Size: 54” × 71”

RST = Right Sides Together    WOF = Width of Fabric    LOF = Length of Fabric

**18 Cream Blocks**

We used various blues for the center of the cream blocks. To make your 18 cream blocks, you will use all of your cream 1 and cream 2 squares, and half of your Fabric J triangles, changing out the center fabric as desired.

For Cream Blocks, press all seams toward cream fabrics.

---

**17 White Blocks**

We used various blues for the center of the white blocks. To make your 17 white blocks, you will use all of your white squares, and the remaining half of your Fabric J triangles, changing out the center fabric as desired.

For White Blocks, press all seams toward blue fabrics.
**TRIM BLOCKS**

Place assembled block on cutting mat (we recommend using the 17” Olfa Spinning Rotary Mat). Lay the **Spinning Possibilities Ruler** on top of block, aligning center square of ruler with center square of block (*outlined in black in image at right*). Trim outside edges.

Repeat for all 35 blocks. Finished blocks should now measure 9” x 9”.

**ASSEMBLE QUILT TOP**

Arrange your blocks in 7 rows of 5 blocks each, alternating cream and white blocks.

For this step, you’ll be pressing your seams open. For this reason, shorten your stitch length for this section.

Sew blocks together in rows. (Notice how your blue triangles nest so nicely!) Press seams open.

Join rows, pressing all seams open. Sew rows together, pressing seams open.

Quilt top should now measure 43” x 60”.

**ADD BORDERS**

Sew 1½” **inner border** strips together into one long strip.

Sew inner border to left and right sides of quilt and trim to be even with the quilt. Sew inner border strips to top and bottom of quilt and trim to be even with the quilt.

Sew **outer border** to left and right sides of quilt and trim to be even with the quilt. Sew outer border strips to top and bottom of quilt and trim to be even with the quilt.

**FINISH THE QUILT**

Layer quilt top, batting, and backing. Quilt as desired.

Sew all **binding** strips into one continuous piece. Fold the binding strip in half lengthwise with wrong sides together and press. Line up raw edges of the binding strip with the raw edge of the quilt. Sew the binding to the front side of the quilt, starting at any side. Connect and finish the two ends, then turn the binding over and hand stitch to the back of the quilt.
