APPLIQUÉ

If using Shabby Fabrics kit, your pre-fused laser cut appliqué shapes are ready to go! Skip ahead to ★

Use Tracing Diagram to trace "LUCKY" letters and (2) shamrock shapes onto fusible webbing. Cut shapes apart, leaving a margin around each shape. Fuse each shape onto wrong side of desired fabric. When cool, cut on traced line.

★ Gently peel fusible paper from the back of each shape. Place each shape centered on its white felt background. Fuse in place. Appliqué in place using the stitch of your choice.

Using pinking shears, trim felt to about ¼" from the edge of each appliqué shape.

FINISH BANNER

Refer to diagram (below) for placement.

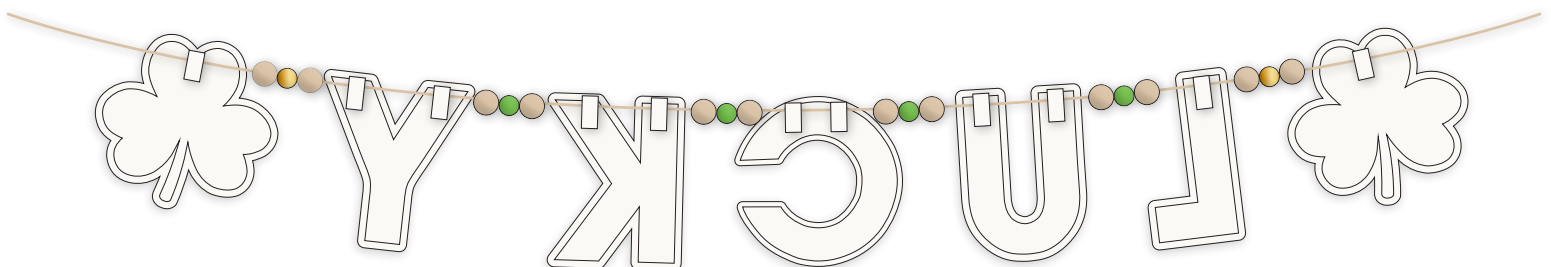

Place letters and shamrocks, felt side up, on work surface.

Add a small dot of hot glue to each end of (1) hanging tab. Place hanging tab at the top edge of L shape, and hold in place until glue has set.

Repeat to add hanging tabs to the top of each remaining shape, using (2) hanging tabs on each of the remaining letters.

String shapes and beads together on jute string. Arrange shapes so they are centered and evenly spaced.

Tie an overhand knot on each end of the jute string to make loops for hanging.
